

OUR SPA...

Relax, Refresh and Renew your spirit in our Spa. Located adjacent to our salon, you will enjoy a quiet, peaceful time experiencing a luscious pedicure, manicure or a massage. From the time you enter to the sounds of running water, soft music and the scent of aromatherapy until you leave, feeling totally pampered, you will be glad you came. Relax in one of our vibrating massage chairs in your private room as you enjoy one of our world class pedicures or manicures. Or, you may choose a Deep Tissue, Sports, Swedish, Hot Stone or Customized Massage to relieve muscle aches or ease daily stress. Or maybe, you want it all... Go for it! Spa packages and gift certificates are available.

Specialty Services

WIGS

We special order all types of wigs and hair pieces for both men and women. We help you select the right style and custom match each and every piece.

NOTE: If you are losing your hair due to disease or chemotherapy treatments, we will give you the wig at our cost and style it for free! This is our way of helping our friends in our community. We do have a few wigs available for free to those who cannot afford one (restrictions apply).

BRIDAL AND PROM

We offer full services for your special event. From nails to pedicures to custom make-up, we are masters in making your event dreams come true. We can create beautiful up-dos for your formal events.

LOCKS OF LOVE

We are proud to be a salon that provides hair to the Locks of Love Foundation (we were the first salon in this area to start this program). For those who wish to donate their hair, we will cut and send your hair to LLF for free. We offer you a 20% discount off of your new style!

Gift Certificates

The perfect gift for everyone! We have imprinted gift certificates available for all of our services. Let us customize a birthday or holiday gift for your special person! We can design a single or double package combo or a total day of beauty package. We will even give your recipient flowers or gifts if you so choose!
